SUMMARY

Motivated and detail-oriented Computer Science and Engineering undergraduate passionate about problem-solving, software development, and learning new technologies. Seeking an internship opportunity at your company to apply academic knowledge, contribute to real-world projects, and gain hands-on industry experience. While I am going to continuously developing my technical expertise and professional skills.

TECHNICAL SKILLS

- Programming: JavaScript (React.js, Node.js) ,(C, C++, Python(Basic))
- Web Development: HTML5, CSS3, React.js, Node.js, MongoDB,Express
- Tools & Platforms: Git, GitHub, VS Code, Firebase, Linux
- Soft Skills: Problem-solving, teamwork, adaptability, time management

PROJECTS

Homiee – Virtualization of Hobbyists   **Jan 2025 - March 2025**
- Built a platform connecting hobbyists, enabling event organization and content sharing with functionality that user can also just see the post of their required chosen hobbies.
- Implemented backend APIs and database schema for efficient data management and real-time updates.

Job Portal   **June 2025 - July 2025**
- Developed a job listing and application system with user authentication, with functionality of posting and deleting a job, applying for a job, and also updating the job.
- Improved user experience by designing intuitive UI components and streamlined application workflows.

SkillSwap (Frontend Only)   **March 2025 - August 2025**
- Currently working on the backend, created an interactive frontend for a peer-to-peer skill exchange platform with skill matching and chat features.
- Focused on accessibility and responsiveness across devices for wider user reach.

EDUCATION

Bachelor of Science in Computer Science and Engineering (CSE)

Green University of Bangladesh
Current CGPA: [3.15], Expected Graduation: [2026]

Relevant Course Work
- Computer Networks, Web Technologies, Cybersecurity, Data Structures, Algorithms, AI,ML.

ADDITIONAL INFORMATION

- **Languages:**
  - English(Fluent)
  - Bangla(Native)
- **Certifications:** Cyber Security & Ethical Hacking (Creative IT Institute)
